SPRING TERM 2010

Weekly Newsletter 7

5th March 2010

Hedge planting

Apologies for confusion last week, the tree planting along the school boundary fence will actually take place this Saturday 6th March at 12.00 noon, once again if anyone would like to help with this please bring along a Spade, Gardening Gloves and a Watering Can. Thankyou.

Skipping Challenge

As part of Skip 4 Life, the whole school will be taking part in a Skipping challenge on Monday 8th. This will be a full day event with each child being given a skipping rope which they can keep and timed for 2 mins as to how many repetitions they can achieve. The organisers will return in 6wks and again time the children to see if they have improved. There will be certificates awarded to all taking part. The children will need their PE Kits on Monday.

Sport Relief Mile - Socks

Mrs. Bond has asked that I remind you all about purchasing Socks for Sports Relief Mile. The children will not be issued with socks unless they have previously ordered some. There is no obligation to buy the socks. Socks are £2.00 per pair, we have extended the deadline to Monday 8th. The Sports Relief Mile will take place on Friday March 19th at 2.00p.m. and the children can wear their socks for this.

Bags to School

On behalf of the PTA I would like to thank you all for your donations of clothes etc for the 'Bags to School' collection.

CAFOD

On Friday 12th March we would ask the children to bring their CAFOD sponsor money aid forms back to school. We are very grateful to everyone who has supported this project. You can be confident that the money raised will really make a difference to families around the world. On the same day to celebrate the end of 'Give It Up' we are having a 'Transform your Uniform Day' where the children can change one item of their uniform for the day. They might choose to wear a different top, trousers, belt etc. This is our way of saying thank you to the children for all their efforts.

Weekly Science Challenge

This weeks Science question is: "Why do we have eyebrows?" Answers on the Science Board before next Friday. **Young Scientists of the Week are : KS 1. Iola Clay KS 2. A.J. Mullarkey**

Special Mentions w/e 05/03/10
