SCHOOL'S OUT

School's Out for Summer

Welcome to School's Out 2010. This booklet is filled with fun things to do in the East Riding during the school summer holidays.

Arts and crafts, swimming, dancing, out of school clubs and much much more!

So, start planning your summer holiday today!

Extra support for disabled children.

If extra support is needed for your child to join in activities please let us know when booking. A co-ordinator will then contact you about your child's needs so that additional support can be arranged. Requests for support must be made at least four working days in advance of the activity.

LOOK and BOOK on-line.

There are lots more activities on-line and more will be added throughout the holidays.

Visit www.eastriding.gov.uk/events and select 'School's Out 2010'.

Some activities can be booked on-line otherwise check details for how to book inside this booklet, or on the website listed above.

Have your say...

Visit www.eastriding.gov.uk/consult and please tell us what you think to School's Out. Every completed survey will be entered into a PRIZE DRAW to win a six week family swimming pass. Don't have a computer? No problem - just call the Families Information Service Hub (FISH) on (01482) 396469 or visit your local library to take part.

Helping your child get the most out of activities

- If your child is part of the 'Me Too' project please mention this when booking onto activities as their place may be subsidised.
- Activity providers do not take responsibility for personal belongings, so make sure you don't take anything valuable along to

activities.

- Everyone taking part in activities are expected to show care, consideration and courtesy to each other and staff at all times.
- Age restrictions apply to some activities. Please check before booking.
- Children under eight must be accompanied by a responsible adult.
- It is recommended that you bring liquid refreshments for all activities.

Sport and play development

Sport and play development service activities

A range of activities have been organised by the sport and play development service, including Play Ranger sessions and activities for disabled young people and their siblings. Like last year, our community sports coaches have joined up with extended services, so look out for how to find out about these activities on the central pages.

Community sports clubs

Many voluntary sports clubs have organised activities specifically to run in the summer holidays for young people to attend. Please note that these activities cannot be booked on-line. Contact the club direct.

All of the voluntary clubs listed have achieved at least Level 1 of ERCAS (East Riding Club Accreditation Scheme).

How do I book?

Book on-line - see opposite page for details. Booking is advised for all sport and play development service activities.

Alternatively, you can book over the phone - **(01482) 392544**.

Please note that only activities provided by the sport and play development service can be booked via this number.

In case of rain, some activities have an indoor facility which will be used and as a result only limited spaces will be available. Please note that not all venues have an indoor facility and some activities may have to be cancelled if it rains. Refunds will be given to those who have booked in these cases.

Can you meet the needs of my disabled child?

Disabled children are welcome at all sessions.

Support is available. For sessions that have been organised specifically for disabled children and their siblings/friends, please see page 4.

Community Play Rangers - FREE

Balloon modelling, parachute and team games, den making, arts and crafts, face painting and lots of free play time for children aged five to 14 years. An adult must accompany children under eight years. Children under five are also welcome with older brothers and sisters. Some indoor facilities are available if raining. Children may get messy so please dress appropriately and wear sensible shoes! Children will need to bring a drink, and if staying all day, don't forget a packed lunch!

All activities 10.30am-12.30pm and 1-3pm unless otherwise stated.

Sport and play sessions for disabled children

Parents of disabled children have told us they would like a variety of different types of provision. Some parents feel that their child benefits most from being able to access mainstream activities, with additional support if needed. Others feel that their child needs more specialised provision, designed primarily for disabled children.

Many parents would like their child to attend both types of provision.

The following sessions have been organised for disabled children. Siblings and up to two friends are also very welcome. If you have any questions at all about the sessions and whether they will meet your child's needs, please ring (01482) 392544.

Parents requiring additional support for their disabled children should ring (01482) 392544.

MAKE YOUR CHILD HEALTHY, HAPPY AND SAFE IN SCHOOL

All schools in the East Riding are involved with the Healthy Schools programme. They are committed to providing a foundation for health and well-being to every pupil. The themes for Healthy Schools are personal, social, health and economic education, healthy eating, physical activity and emotional health and well-being. Many schools are currently reviewing their Healthy Schools programme to ensure that they are up-to-date and relevant for the pupils today. Some schools have taken a further step and are embarking on the new enhancement model - focussing their priorities on key health behaviours such as healthy eating and bullying - to improve the programme further and improve knowledge, skills and attitudes surrounding these issues. For information about the Healthy Schools programme, please contact your child's school directly, or visit **www.healthyschools.gov.uk**. Alternatively call **FISH** on **(01482) 396469**.

Why Change4Life?

The way we live in modern society means a lot of us, especially our kids, have fallen into unhelpful habits. This means all of us need to make small changes to eat well, move more, and live longer.

What is Change4Life?

These days, 'modern life' can mean that we're a lot less active. With so many opportunities to watch TV or play computer games, and with so much convenience and fast food available, we don't move about as much, or eat as well as we used to. This means that 9 out of 10 kids today could grow up with dangerous amounts of fat in their bodies - so it's really important that we do something about it.

How can I join Change4Life?

Would you like loads of ideas and help to give your family a happier, healthier future? As part of Change4Life, you will receive tons of helpful information, games, tools, tips and a free welcome pack. The site is updated all the time so don't miss out!

ME TOO PLEASE - funding for after school and holiday activities

The Me Too project can help children and young people have new experiences, access new opportunities and take part in a wide variety of after school and holiday activities. If your child goes to school in the Goole, South Hunsley, Bridlington or Withernsea areas and they are already part of the Me Too project, it is possible that they can attend this summer's holiday activities at low/no cost. Call your child's school or extended services co-ordinator (see centre spread) for more details. **NEW FROM SEPTEMBER** - The Me Too project is being extended to all schools across the East Riding - during September your child's school will provide you with further details.
